

U.S. 93 Blue Lakes Boulevard, Falls to Pole Line

Weekly Construction Update – June 1, 2009

Blue Lakes remains restricted to two lanes from Pole Line Road to Falls Avenue as construction crews progress toward the southern boundary of the construction project with the storm water drainage system.

The intersections at Cheney Drive and North College Road are now open to east-west traffic.

Business access on the west side of Blue Lakes will be maintained for right-hand turns only. Drivers should watch for changing business accesses throughout the construction zone. Left hand turns on and off Blue Lakes are not allowed.

Paving of the center turn lane and inside north-bound lane between Pole Line Road and Bridgeview Drive is expected to take place on Thursday, June 4.

Maintenance work on the Perrine Bridge is also being completed at this time. Lane closures in the north-bound lanes can be expected from 7 a.m. to 4 p.m. Monday through Friday.

ITD and the Idaho State Police caution motorists to slow down and pay attention when driving in work zones, where increased speeding fines and other penalties apply. Motorists are encouraged to plan ahead and dial 5-1-1 or visit 511.idaho.gov for information on the state highway or interstate system.
